

REMARKS/ARGUMENTS

In response to the Office Action of August 11, 2005, in which the Examiner imposed a restriction requirement, identifying a combination and a subcombination, Applicant elects, without traverse, the combination identified by the Examiner as "Group I."

By the above amendments, claims 22-26 have been withdrawn, without prejudice, to advance the prosecution of the application.

It is believed that no additional fees are due in connection with this communication. However, a petition to extend the time to respond by two months (from September 11, 2005 until November 11, 2005) is being submitted herewith, and the Office is hereby authorized to charge any deficiency, or credit any overpayment associated with this communication to Deposit Account 04-1420.

This application now stands in allowable form and reconsideration and allowance is respectfully requested.

Respectfully submitted,
